## Unique interior height!

*Freedom Van interior height 152 cm (148cm).*

**This unique lowered floor is suitable for all manual and electrical wheelchairs!**

The benefits of our unique lower floor:

- A unique interior height.
- Excellent interior view for the wheelchair occupant.
- Lightweight aluminum ramp.
- The lowered floor is made of stainless steel.
- Very luxurious finish with soundisolating carpet.

Easy four-step ISO 10542 approved wheelchair & occupant restraints. Includes 3 point safety restraint for the wheelchair passenger.

**Unique extra deep lowered floor, making kneeling systems obsolete.**

You'll receive 3 years warranty on the car modification and 10 years on the Stainless Steel lower floor. All Freedom lower floors are fully tested and approved according to European regulations.
